Program

International Symposium **Light** **Opening** **the Frontiers** **of Science**

A new era of science is dawning, sparked by NanoTerasu. This inaugural symposium showcases leading researchers from coalition universities as they present latest achievements and pioneer the next frontiers of science.

Invited Speakers:

Yuki Takayama
Tohoku University

Eiji Nishibori
University of Tsukuba

Viorica (Ibi) Bondici
Canadian Light Source

Atsushi Hariki
Osaka Metropolitan
University

Mizuki Tada
Nagoya University

Organized by:
Executive Committee for
Coalition Strategy of NanoTerasu (ECCS)

ECCS consists of national, public, and private universities and national research and development agencies (Hokkaido Univ., Tohoku Univ., Univ. of Tsukuba, The Univ. of Tokyo, Inst. of Science Tokyo, Nagoya Univ., Osaka Metropolitan Univ., Shibaura Inst. of Tech., Tokyo Univ. of Science, Meijo Univ., NIMS) that have individually joined the coalition, as well as PhoSIC.
